Social Responsibility Therapy for Adolescents & Young Adults: A Multicultural Treatment Manual for Harmful Behavior, New York, NY, US: Routledge/Taylor & Francis Group.
www.routledgebehavioralhealth.com.

Along with any Social Responsibility Therapy workbook (listed above) and send \$5.95 postage and handling to Social Solutions, P.O. Box 538, Hudson, OH 44235 to receive a free copy of...

Therapist's Guide to the Social Responsibility Therapy Workbook Series: Understanding Harmful Behavior through the Problem Development Triad, \$14.95 if purchased separately.

Note: Reading the Social Responsibility Therapy treatment manual and therapist guide before using the workbooks is strongly recommended. The client presentation on how they acquired, maintained and generalized their harmful behavior is only covered in workbook 3. Clinicians only using workbook one to help clients understand how they acquired their behavior or workbook 2 to help clients understand what maintained it, still need to use the workbook 3 format (p. 101) if they want their clients to internalize their learning experience by teaching what they learned to others.
